

Ricoh Singapore Environmental Policy:

We recognize and believe that environmental sustainability is as significant and important as our business operations, and therefore regard it as an integral part of our business activities.

We will assume the environmental responsibilities by focusing on company-wide efforts in environmental management and protection.

We are committed to:

- Comply with environmental, legal, corporate and other requirements.
- Strive towards continual improvement in environmental performance by setting measurable objectives and targets.
- Offer products and services with minimal environmental impacts.
- Work with and assist customers, suppliers, and partners to promote and reach out to the wider society on environmental conservation programs.
- Promote environmental awareness throughout the company to ensure that individuals are aware of and minimize their environmental impacts.
