SP 4510DN

40 ppm B/W

A cost-efficient A4 office printer that delivers performance you can count on.

With its low Total Cost of Ownership, RICOH SP 4510DN A4 black-and-white printer meets the tightest operating budgets without compromising on performance. It prints up to 40 pages per minute at a resolution of 1,200 x 1,200 dpi, while an accurate and consistent image quality is ensured. Easy to use and maintain, it handles paper between 52 and 162g/m². To top it off, productivity-enhancing features include standard double-sided printing and Smart Device Print.

- Low Total Cost of Ownership
- Maximum savings: low power consumption
- Space-saving: highly compact
- High productivity: fast printing at 40 pages per minute
- Cost & time savings via standard double-sided printing

Meet your print needs and keep costs to a minimum

Cost efficient

With its perfect combination of an affordable purchase price and a low Cost Per Print, RICOH SP 4510DN is ideal for budget-conscious small- and medium-sized offices. Running costs are also low, making this printer the best purchase for these types of environments.

Ultra compact

An LED print head takes up much less space than the equivalent laser head. As such the SP 4510DN has a small footprint: you can install this device virtually anywhere as it takes up minimal office space.

Print anywhere, anytime

Now you can easily print documents from your iOS or Android device directly on the SP 4510DN. Smart Device Print also enables you to print PDF documents, print texts saved on the clipboard, and print JPG or PDF files in other applications.
