Ricoh EZ Plus

Enhanced user convenience and workplace productivity

Introduction

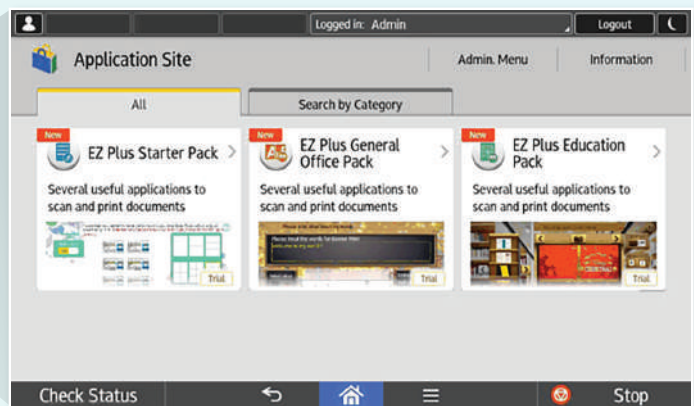

Ricoh EZ Plus is a collection of Apps available for Ricoh's Multifunction Devices (MFDs) with the second generation Smart Operation Panel.

These Apps provide a range of useful features that enhance the default MFD functions, as well as to serve the diverse needs of organizations across different industries.

Ricoh EZ Plus Apps are designed for simple and easy integration into any working environment where employees are increasingly looking for smarter and more convenient ways to work.

Ricoh EZ Plus Apps are now available for all Ricoh Multifunction Devices with Smart Operation Panel Version 2.0. Simply download the Apps on Ricoh Application Site to enjoy a 45-day free trial.

Starter Pack

Ricoh EZ Plus Starter pack contains four apps that allow users to save time and increase productivity when carrying out typical office copying, printing, and scanning tasks.

Masking

Mask-out any sensitive information on scanned document before printing.

Image Divider

Scans multiple documents on the platen glass and print them as individual images on separate A4 sheets.

Copy Clone

Duplicate the original document up to 8 copies in a single A4 sheet.

Receipt Scan

Scans multiple odd-size receipts with a single scan. Image of the individual scanned receipts can be tagged with a date and sent to a specific destination.

General Pack

Ricoh EZ Plus General pack contains five apps that allow users to create a variety of document types quickly and easily. These include letter-heads, banners, running bib numbers, notices, and letter templates.

Banner Print

Creates simple banners for ad-hoc company functions.

Letter Creator

Creates decorative letter templates with logo insertion for personalization.

Number Tag

Print number tags with auto-numbering and logo insertion features.

Keyword Shortcut

Creates short notices such as "SPOILT", "WARNING" for printout.

Logo Insertion

Inserts a logo to a scanned document before printing.

Education Pack

Ricoh EZ Plus Education pack contains four apps that let you easily create output for a variety of educational activities. Inspire and excite kids of all ages with tracing sheets, colouring pages, book covers, and all that you can imagine!

Book Cover Maker

Creates personalized and customized covers for your books.

Single Colour Removal

Removes a single colour from the original document. Useful for obscuring answers in exam papers for revision.

Picture Colouring

Creates colouring page by removing colours from an image. The number of lines as well as line thickness can be adjusted according to the skill level of the students. Image can be imported from USB and SD card.

Trace

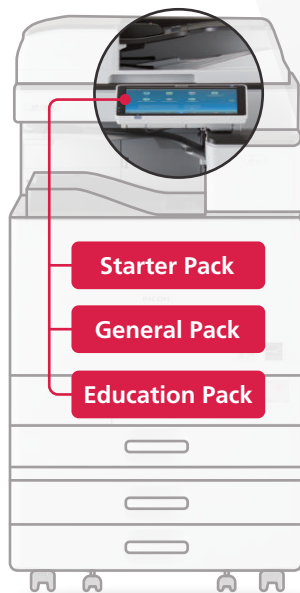

Creates tracing worksheets by scanning and lightening the lines in the image. Trace the alphabet letters, numbers and pictures for the students to practise their writing or drawing skills.

EMPOWERING DIGITAL WORKPLACES

RICOH IMPROVES WORKPLACES USING INNOVATIVE TECHNOLOGIES & SERVICES ENABLING INDIVIDUALS TO WORK SMARTER.

Smarter & Convenient Ways To Work

- ✓ Time-saving
- ✓ Improved User Experience
- ✓ Enhanced Productivity
- ✓ Reduced Paper Wastage
